***“Really Good. I've got goosebumps!” - DJ Sam Stagmorgen, Radio RaBe, 95.6 MHz, Bern.***

***“Whenever Dan is scheduled to play in either of our pubs, we know we are guaranteed a great night. He has a fantastic selection of songs which he plays brilliantly, he is very customer friendly and people love him. He creates an atmosphere which not all artists are able to do. Simply put, a 5 star review from me” - Tony McArthur, McArthurs Pubs Thun/Lenzburg***
